Dear Parents

“A calm mind is not disturbed by the waves of thoughts”.

GRJPS aims to groom and provide its student with strong fundamentals. Our children now-a-days are living in a society, which is going through a transition phase. In this present scenario it becomes imperative for Parents to take extra care of childs' behavioral, cognitive and emotional needs at all stages.

In order to acquaint parents about teenage issues and problems, we are organizing an Informative & Interactive Workshop conducted by the school for parents of the students on **6th August'2011** for classes **VI to XII**. The workshop will be conducted by an eminent educationist and psychologist Dr. Anu Singh. She will also be able to resolve your queries if any.

Time : 10:00 am onwards

Venue : School Auditorium

We expect that all the parents would make it convenient to attend workshop on time. You are requested to confirm your free registration through acknowledgement or telephonically on School Reception (011-27045607 / 08) or email us at info@gitarattan.com by 4th August'2011.

Regards

Vice Principal
