

GITARATTAN JINDAL PUBLIC SCHOOL

Rohini, Delhi-85

CLASS -X

Date : 26th April 2011

Circular No: GRJPS/2011/009

Dear Parents

The all round growth of the students has always been our focus. The Continuous & Comprehensive Evaluation refers to a system of school based assessment that covers all aspects of student's development. It emphasizes two fold objectives i.e. continuity in evaluation, assessment of board based learning and Behavioral out come.

Each student in class IX is required to study two languages which is English, Hindi Course -A/Sanskrit. English is the first language which each student has to study and compulsory for all. There is a choice in second language. The school offers Sanskrit/Hindi Course - B/I.T as the third language. All students have to opt for one of the three as third optional subject and no change will be possible later on.

To compliment the academic of all students we have a number of Co-Curricular Activities in our school. It is compulsory for all the students to learn Art Education, Work Experience and Physical and Health Education.

Apart from this every student has to select any one option from the Physical Activity and any one from the Sports in order of your preference.

You are requested to fill up the Proforma enclosed in order of preference to be submitted to the class teacher duly signed by parents latest by Wednesday 27th April, 2011.

Regards

Vice Principal
