BHARAT MANDAPAM

India added another architectural feat to its growing list, this time a Convention Center in Pragati Maidan, New Delhi. Termed as Bharat Mandapam, the new structure boasts the usage of advanced materials and technology, claiming to be the new modern symbol of Indian architecture. A resounding testament to India's evolving architectural landscape, the state-of-the-art convention center, also the venue of the recently held G20 Summit is an iconic site that has emerged as the torchbearer of modernity, seamlessly intertwining the threads of the pasts with the aspirations of the present. The inauguration of Bharat Mandapam was on July 26, 2023, on the portentous occasion of Kargil Vijay Diwas, graced by the Honorable Prime Minister, Narendra Modi marked a significant milestone in the realm of Indian architectural achievement and the history of Pragati Maidan. It is a world class facility equipped with modern infrastructure and technology suitable for hosting conclaves, summits, meetings cultural events and congregations.

JEWAR INTERNATIONAL AIRPORT

The Jewar International Airport, also known as Noida International Airport, is an ambitious project currently under construction near the town of Jewar in Uttar Pradesh, India.

The airport is to be developed through a public – private partnership model (ppp). The proposed plan is to build a two-runway airport by this year 2024 to expand it into a 7,200 acres (2,900 ha) six-runway airport and it is likely to take the burden of Indira Gandhi International Airport, New Delhi. The airport is expected to be operational in December 2024 as per the sources.

RAM MANDIR

Ayodhya Ram Mandir is built in the Nagara style of temple architecture. The temple is built using pink sandstone. The height of the temple is 161 feet, and it has three floors, each with a different purpose. The mandir is surrounded by a large courtyard and has several smaller shrines dedicated to other Hindu deities.

On January 22, 2024, the historic inauguration ceremony for the much-awaited Ram Mandir in Ayodhya took place. Ayodhya Ram Mandir is not only an important pilgrimage site for Hindus but also presents a model of advanced architecture.

THE VANDE BHARAT EXPRESS

Vande Bharat Express is a medium distance train service operated by Indian Railways similar to Shatabdi Express. These are day train services with average length of 384m (1,260 ft) for 16 coaches and 192m (630 ft) for 8 coaches with baggage facilities and on board catering.

The best feature of Vande Bharat services is the fully sealed gangway (locally called vestibules or inter coach pathways) that keeps off dust and noise outside and semi permanent couplers that ensures smooth bang less travel experience to the passengers.
